

REFER A FRIEND

EARN UP TO

£400

Working in the healthcare sector is one of the most rewarding professions. Along with your expertise in complex care and providing support at home, as carers your compassion brightens the days of both clients and their families.

We hope you will agree that Interserve Healthcare provide some of the best training and support, as well as good pay rates and a flexible rota system. We need more talented and dedicated staff to join us and we run a generous Refer a Friend scheme to reward our staff for recommending Interserve Healthcare as an employer.

As a member of our Client Care Staff, if you refer a Healthcare Assistant or Support Worker to Interserve Healthcare, you will receive a bonus of £150 for each referral.

Refer a Registered Nurse, and that bonus goes up to £400.

**To make a referral speak to your LOCAL BRANCH
or log on YOURINTERSERVE**

Your cash reward will be made when the newly referred care giver has completed their first 100 hours of work, for Interserve Healthcare, within 12 weeks of their sign off to work date. Payment is subject to tax and national insurance. Payment is made solely at the discretion of Interserve Healthcare. Only registered Interserve Healthcare client care staff can receive the referral payment. Offer subject to terms and conditions.
